records connected with the review of the
Mutt. This reference is invited to the
Amilkar's report of 16.9.35 which
the D.C. says answers all the points
raised in the review Petⁿ—

The Tungam Mutt at Kalya is
a minor mutt under the control of the
Inam lands ranging from 40 to 50 acres of
dry land, the affairs of which have been
in a neglected condition ever since
the life time of the deceased Swami.
The Mutt building has been in a state
of disrepair & no services were rendered.
The previous Swami lived in his brother's
house at Kalya without remaining in
the Mutt proper. The Camberpettam
Palanadhy & others are the nephews
of the deceased Swami. No dec. Swami
has admitted before the Amilkar
on 3.12.29 that there is no suitable
candidate in his view to succeed him
in the post of the Mutt, that there is no
likelihood of getting a proper successor
that in those circumstances Govt may
assume the management of the Mutt
& its Inam land. In this connection
it may be said that the deceased Swami

communicate the same to Govt. (Evidently

Mention is made in the records that the Swamigalu
of Sri Melina Ganu Mutt at Sivaganga
was consulted in the ^{making a selection} matter. This is also
found in the D.C. order refd to above. It
is alleged in the petⁿ of 10-9-34 (Review
petitions & other documents) that a daughter
Mutt Somai's father's daughter is married

to have been given by the disciples, devotees of the

bears the thumb impressions of two others.
These have said that they have ^{counterpetitions} ~~no objection~~

The Second Statement given before the S.D.O. closed on the same day ^{viz 9-7-34} is that of the Counterpet hinds themselves - They have stated that in view of there being no qualified Candidate in their Family they have no objection to the Candidate, whom the Gan Swamithay select, to occupy the Peeta for the present & that Siddalingadevaru is just receiving Education & that he may be appointed as successor after he is educated & becomes a fit man to occupy the Peeta. These have not in fact urged that Siddalingadevaru of their Family should at once be nominated to the Peeta of the Mutt. In spite of this a few months later the S.D.O. has recommended the Candidate for the Peeta which recommendation having been upheld by the W.C. the M.C. has been tentatively sanctioned. On the same day viz 9-7-34 the 1st & 7th Pet (viz before Gan) have said that they would go to the Gan Swami Consult him & would report the Selection of the Swami within 15 days from that date.

The petitioners have on 3rd 9 34 reported to the Td Amildar that Melina Gari Math Swami had no proper claim in view of ^{he had no objection} that the Candidate recommended by the Rambhadrachari Math, if found fit, may be appointed & that the work would stop shortly - Again on 10.9.34 the petitioners wrote to the Td Amildar that Sivadasanaka Shamma may be appointed & that the installation of the Peeta may be conducted by the Bala karnam Swami in time then in those parts - On 18.9.34 the Agent of Melina Gari Math wrote to say that Sooda Linga devaram Sonej Mankaradhy a of Kalga may be appointed to the vacant Peeta. It is noted that this opinion was inevitable as Mankaradhy a is found to be a close relative of the Gari Math Swami -

33 The S.D.O. in his report of 23.11.34 says that both the petitioners & the counter petitioners have given an undertaking that they would abide by the decision of the Swami of Melina Gari Math. It is noted that this is not true; The parties ~~have~~ agreed ⁸⁰⁰⁰ to the Sivaganga Swami, consult him & report as to whom he may select.

The petitioners do not appear to have definitely said that they have no objection to the Candidate being brought in the Peeta whom the Gun Swami may select. The D.C. in his report of 15/1/35 addressed to M.C. refers to the S.D.O. having said that the opinion of the Villagers re: The Candidate Selected is not unanimous, the majority of the Villagers are in favour of the successor now proposed - That ^{the} majority The latter is not also true as seen from the statements given before the S.D.O. on 9-7-34. Only a few people have asserted the statements - Further "the majority of the Villagers" is not what we have to rely upon; Rules re: Succession require that majority of the disciples should be consulted (Page 496 of the Revised Mys. Manual) The Amuldan in fact is virtually supporting what was done previously & what the petitioners say is true & records & a stay order has also been issued. It is for now if the case may be ported for a hearing -

The main points urged in the Review Petn
are :—

- (1) That Siddalinga Devam whose nomination has been sanctioned was not selected by a majority
- (2) That during the S. D.'s enquiring the majority of the disciples suggested that the Swami should be selected by the Panchanama Mutt but that Govt appointed a Committee of 14 persons to suggest a Swami and that one Sivasaubhava Sarma who was also suggested by the Panchanama Mutt Swami had been selected by this Committee
- (3) That the late Swami had left a will to the effect that he had taken in adoption one Siddananjappa & that he should be his successor
- (4) That the S. D. was not right in having asked the Sivaganga Meliungari Mutt Swami to suggest any name as this Swami had no right to suggest any name at all
- (5) That the nephews of the late Swami have appropriated the Mutt properties and even registered a document re the division of Mutt properties among themselves

In regard to these points the records now need disclose the following facts:—

(1) The Amritsar in his report of 16.9.35 (Page 2) states that the boy was not selected by the disciples but by the Swami of the Melinagar Mutt at Sivapanga. The S. D. O. has, in his report of 23.11.34 (Page 2) — paras. Stated that "both the petros & Counter petitioners" appeared before him at Kalyan on 9.7.34 & gave an undertaking that they would abide by the decision of the Swami of Sivapanga Melinagar Mutt in the matter of the selection of a heir. A reference to the said Mutt (Pages 14 & 15) shows that the consent given by the appellants was a qualified one. They have stated ~~that they~~ ^{had the} agreeable to the selection to be made by the Swami of Melinagar Mutt at Sivapanga provided the selection is made from outside the family of Palanathayya & Mathurathayya, nephews of the late Swami. On this the D. O. asked the S. D. O. to hold a meeting of the disciples of the Mutt, Asestani Pathi Officer, interview the Candidates or Candidates selected by the disciples & furnish his opinion. The S. D. O. however did not hold a meeting of disciples as instructed but simply reported on 3/1/35 (Page 4) that he visited the Village during Huzur Jamat and consulted the ^{disciples} ~~people~~ and interviewed the Candidate and added that the opinion in the Village regarding the Candidate now proposed is of course not unanimous but the

been unimpaired benefit by the Swami.

In view of the above it has to be conceded
that the contention that Sivalajadaram
was not selected by a majority is correct.

(2) On pages 6 & 7⁴⁸ of his report the Amilkar
states that the records disclose that a
Committee as alleged by the ~~petitioners~~ Review
Petitioners had been formed but not with the
~~approval~~ of any competent authority and
there are no records to show what the proposals
of this Committee were, that though the

of the records on 9.7.34 (Page 14) shows
that this Mutt is a subordinate one to
Ujjaini Mutt and that the name of
Siva Sankar Sarma had been suggested by
the Review Petitioners.

(3) The Amilkar has explained how these
petitioners have admitted before him on 15.9.3
that they have only heard of the Bill. The
petition alleged to have been written by the
Swami on 23.4.30 is signed N. M.

40) There is reason to fear that the nephews
of the late Swami are treating the
Mutt's household property. Whether
in the circumstances it is desirable
to confirm the selection already made
of a boy from their family is for
consideration.

41) The Dy Commr may perhaps be asked
to go into the matter himself and

If after such enquiry it is decided
that the selection already made should

BEFORE THE GOVERNMENT OF HIS HIGHNESS THE
MAHARAJA OF MYSORE,

Review
Muzrai Petition No. 5 of 35-36.

PETITIONERS:--

1. Putturama Setty.
2. K.V. Venkataramiah.
3. Muddu Setty.
4. Savandiah.
5. Chick Narasimhiah.
6. Guru Nanjappa.
7. K. Srinivasa Murthy Rao.

All residing in Kalya Village, Kasba Hobli, Magadi Taluk.

The Petitioners beg to state as follows:-

1. That, regarding the Kalya Mutt in Magadi Taluk, they learn that Orders have been passed directing the appointment of one Siddalinga Devaru, son of Mr. Mallaradhya as Mathadhipathi. *Copy of order is produced herewith.*

2. That the appointment appears to have been made on the statement of the Deputy Commissioner that the said person has been selected

selected by the majority of the Disciples.

3. That the Petitioners -- there are hundreds more -- most respectfully submit that the allegation is not true and that the boy was not selected by the majority.

4. That the whole thing is a fraud on the Government committed by the nephews of the late Swami, who have manoeuvred to get their son appointed so that they may enjoy the Mutt and its properties without let or hindrance.

5. That these nephews of the late Swami had been appropriating and misappropriating Mutt properties so flagrantly that the late Swami himself had petitioned the Government against them in 1930 and prayed that Government may take over the management and prevent the abuse and misuse of the Mutt properties by them. The Government, thereupon, attached the lands and have leased them on Five Years' Tenure.

6. That these nephews, with a view to get back the lands free as before under guise of proper management, have gone about to get a Swamy of their own appointed, and it is regrettable that they have so far succeeded and their manoeuvres are not detected.

7. That

7. That these nephews began the attempt by putting up a son of theirs, this very Siddalinga Devaru, as Claimant setting up a right in the family to appoint and be appointed Swami. The same was rightly rejected; and yet, they have got the same boy appointed by yet another process - as - hereunder set forth.

8. The Deputy Commissioner sent - for Report of the Sub-Division Officer regarding the appointment of a Successor. On that Officer's enquiry, the majority of the Disciples suggested that the Swami should be selected by the Balehonnur Mutt Swami since the Kalya Mutt was a Branch of the Balehonnur Mutt. The nephews resisted. The Government appointed a Committee of 14 persons to suggest a Swami. They suggested one Sivasankara Sarma, an intelligent and learned young man of about eighteen years of age, who was also suggested by the Balehonnur Mutt Swami. He could, therefore, have been appointed.

9. Besides, the late Swami had left a Will stating that he had taken in adoption one Siddananjappa and that he should be his Successor. This is a bright and intelligent boy and very well behaved, and was worthy of being appointed.

10. The nephews, rightly fearing that the appointment of either of these two boys
would

would effectively end their exploitation - of the Mutt, have cleverly side-tracked both of them. They suggested to the Sub-Divn. Officer that the Sivaganga Melanagavi Mutt be asked to suggest a person (the Sivaganga Swami is a close relative of theirs). The Sub-Division Officer~~x~~ unsuspectingly fell - into the trap and asked the Sivaganga Mutt - to suggest a name and the nephews easily got the name of their own boy suggested therefrom.

11. It will thus be seen that t h e boy was not selected by the majority, that the majority selected one Sivasankara Sarma and that the present order has been obtained by creating in the mind of the Government a false impression. The Petitioners do not impute any motive to any Officer, but only - state the facts as they are and as they can - be verified from the records.

12. The Sivaganga Mutt had no right to suggest any name, and it was not only - unauthorised on the part of the Sub-Division Officer but it went counter to the order of the Government who had appointed a Committee to suggest a name. The Committee's sugges- tion was kept back and turned down and t h e Sivaganga Mutt's suggestion taken up and re- commended as majority selecti~~on~~^{ion}, all at the instance of the nephews. The Petitioners -
humbly

humbly request the Government to consider why and how it all happened.

13. The object of the nephews and the part they have played in perpetrating this - fraud on the Government is clear from their subsequent conduct. After thus getting their own son selected under guise of majority selection, they have proceeded to apportion the Mutt properties among themselves and have gone so far as to register a Document embodying their rights and their respective shares on division as if the Mutt was their private property. The Petitioners have appended herewith copy of the Deed, but, since an authenticated copy would not be given to them, they pray that Government may call upon the nephews to produce the Deed in Original. These nephews have thus - proceeded from the beginning to defy and defeat the Government and to treat the Mutt as private property; and failing therein, they have got their own boy appointed by creating a false and improper suggestion that the boy was selected by a majority.

Call for
original
deed at once
3/9/70

14. The Petitioners believe that the Government would not have appointed the said - Siddalinga Devaru but for the allegation that he was selected by a majority of the Disciples; and that allegation being not true and the choice of the majority being one Sivasankara Sarma, the Petitioners believe that, if the true state of facts had been placed before Government, they - would

would have appointed only the said Siva-sankara Sarma.

15. The Petitioners most humbly and respectfully pray that the whole matter be enquired into and the fraud exposed. They pray that the truth be found out and the persons responsible for the suppression of truth and suggestion of the false be suitably dealt with.

16. That these Petitioners were not aware of the orders until the nephews began - to apportion the Mutt property and latterly - to make hurried arrangements for installing - their boy as Successor. The Petitioners have at once come up; and they pray that Government may be pleased to order a thorough enquiry into the real state of affairs in view of the statements made herein and to direct the stay of further proceedings until the truth of the matter is ascertained. The Petitioners humbly submit that the Disciples of the Mutt are greatly agitated over the present order and that the fraud perpetrated, by whomsoever it be, deserves to be detected and dealt with.

17. Since the boy, Siddalinga Devaru, is arranged to be installed as Successor ~~on~~ on 23-8-1935, unless Stay is ordered meanwhile, - and since, if he is allowed to be installed, the fraud would have been successfully and irretrievably

GENERAL SECRETARY

20/8/35

The petitioners most respectfully pray that a stay order may be issued directing stay of installation of Siddalinga Devaru as Swami of the Jangam Mutt at Kalya, Magadi Taluk for the following, and other, reasons set forth in the petition:

1. It is not true that the said Siddalinga Devaru was selected by a majority of the disciples. It is a totally false impression created in the -- mind of the Government; and petitioners are ready to prove the same

2. The person really selected by the majority is one Sivasankara Sarma and the person nominated by the late Swami in his will is one Siddananjappa. Each of these is worthy of the peeta and either of them could be selected

3. The said Siddalinga Devaru is the son of one Mallaradhya who with his brothers had been misappropriating the Mutt properties and had been -- complained against by the late Swami whereupon Government attached the lands and leased them out on five

NT
M: 18

on five year tenure. How they manoeuvred to get their ~~boy~~ own boy appointed and how they have now partitioned the Mutt properties among themselves openly and without the least fear of Government -- have been set forth in the petition filed.

4. There has been adopted in the case a thoroughly wrong procedure by the Sub Division - Officer in ignoring the disciples and the committee and in asking for and accepting the nomination by the Sivaganga Swami who was no other than the close relation of the said Mallaredhya.

5. The said Siddalinga Devaru is not the chosen of the disciples; but those responsible for putting him up - and they are only the father and uncles of the boy - are hurrying up the installation in order to make the choice a fait accompli and prevent even the Government from interfering.

6. If the stay is not ordered the fraud would be irretrievable and the Government, even if satisfied of the wrong, will be unable to remedy the injustice. There is no particular hurry to install anyone at once. If it is ultimately found that he was selected by the majority the installation can be made then. The records themselves prove that the boy was not selected by the -- majority

The petitioners, therefore, most humbly and respectfully pray that a stay order may be issued as expeditiously as possible since the installation is sought to be made on Friday the 23rd August 1935..

order

Dated, Bangalore ~~the 31st~~ December 1936.

After hearing the parties, Government consider that there are not sufficient reasons for setting aside the order already passed. The petitioners are not all interested as disciples of the Mutt since it is a Lingayat Mutt, two of them being Brahmins. The selection of Siddalingadevaru is not open to any serious objection. There is no doubt the apprehension that the counter-petitioners will continue to exploit the opportunities afforded by this young son's nomination, to them. However the properties are under Government control.

management now and this has to be continued till the young Swami becomes a ~~major~~, when the time comes for handing over the properties necessary conditions to prevent this may be thought of as provided in the latest amendment of the Muzrai Regulation.
